Called the office of Congressman Prince Preston to arrange a luncheon here at the Agency. His office was furnished with the possible dates of 13, 14 or 17 March. Mr. Preston's secretary said she would check these with Mr. Preston and advise.

STAT

[redacted] was requested to furnish FBI transcripts from S. E. Asia stations or any Communist stations dealing with the letter published in the Washington Post from a Vietnamese girl. These transcripts will be made available to Representative Porter Hardy.

Clive L. DuVal, 2d, General Counsel, DDA, called and stated that Congressman John J. Rooney (D., N. Y.) of the Subcommittee for Appropriations had asked for CIA estimates of the cost of the Moscow World Youth Festival. DuVal had before him OGI report 6419/57 of 26 December 1957 and wanted clearance to show this to Congressman Rooney. After checking the matter with Mr. Shelden of OGI, DuVal was requested to delete a particular sentence from particular pages before showing them to Mr. Rooney. DuVal was requested to urge Mr. Rooney not to discuss this in public as it was classified information.
